THE SUFFOLK WORLD

Welcome to the second edition of the Suffolk World. This a new publication of the brand new North American Suffolk Sheep Society. This publication is destined to promote the great breed of sheep – Suffolks.

The society was formed on January 1, 2023 to provide registration services along with promoting and celebrating all facets of the Suffolk breed. A group of dedicated breeders have worked hard to build this society from the ground up. They have established by-laws, set up a vigorous youth program and worked hard to be inclusive of all segments of the breed.

Make plans to join the society and become involved.

WOLFF'S SUFFOLKS

Our Yearling Ewe "Piper" KC 2190 was Champion Ewe at the North Dakota State Fair and Reserve Champion Ewe at the South Dakota State Fair.

March Ewe Lamb "LadyLuck" was 2nd in Iowa and stood 3rd at the South Dakota State Fair. She was ready for Louisville - look for her as a yearling at the shows next summer. A bright future ahead of her!

"High Gear" Wolff 2102 2nd in class as a January Ram Lamb at NAILE. Stood 2nd at the North Dakota State Fair and was Reserve Supreme at the Brown County Fair in South Dakota which were the only two times he was shown as a yearling. We have ewes exposed to him.
